

APPLIANCES RANGE 2017-18

ABOUT US

RR Global, a part of Ram Ratna Group, is a leading conglomerate in the Electrical industry and a global manufacturer. We collectively engineer every electrical need of a modern society through the four business lines, we operate in :

- **Wires and Cables (RR Kabel)**
- **Winding Wires (RR Shramik)**
- **Electrical Consumer Durables and Accessories (RR Electric)**
- **Electro-Mechanical Multilevel Car Park Solutions (RR Parkon)**

The group has a turnover of ₹ 4300 Cr. We proudly lead the way in all aspects of innovative, well-engineered solutions that are integrated into the highest quality products. A conglomerate with many group companies, Ram Ratna Group is headquartered in Mumbai, with corporate office in Baroda and has presence across India and abroad with 1 plant each in Bangladesh, Nepal and Middle East and 9 world-class manufacturing facilities in India.

ABOUT RR ELECTRIC

Ram Ratna Electricals Limited (RREL) is subsidiary of RR Global which is engaged in the production and distribution of the following products under the brand name RR Electric.

The products on offer are sleek designed and features, that compare with the best. Superior performance and of course the safety and reliability that have been the hallmark of RR over the years. It's our way of making life just a little more comfortable for the Indian consumer.

Product range comprises of:

Fans:

It has a wide range for both domestic and industrial customers. The range encompasses of the entire spectrum from ceiling, wall, table fans, pedestal, domestic exhaust fans and industrial fans.

RR Electricals is proud to launch **Super Power Saver 28W Ceiling Fan** under the brand name "**MH Classic**"- **India's Lowest Wattage Branded Ceiling Fan**. This Super Power Saver Ceiling Fan comes with **service value of 8.0 plus**. It saves 60% power compared to a conventional fan and hence your Fan becomes FREE in 9 months**.

Appliances:

Appliances comprise of a range of Water Heaters, Electric Irons, Immersion Rods, Room Heaters, Room Coolers etc.

Switches:

It has a wide range for both domestic and industrial customers. Launched the first of its kind "Design it Yourself" switches which are very well received and appreciated by the market. We have also designed and launched one of its kind in India - a 3 plate switches with transparent options in them.

LED Lighting:

It covers a comprehensive range of LED Lighting for domestic, industrial and outdoor applications. The product range comprises of LED Bulbs, Tube lights, Panel lights, Downlights, Flood lights, Hi-Bay, Bollard lights, Street Lights along with Poles etc. The product mix meets the requirements of both B2B and B2C customer for the value of money. Our products come with warranty and are backed by an efficient customer service team. We constantly strive towards innovation and improvisation of our various products and offerings.

Cuisiner Tankless Electric Water Heater

Frission Digital Water Heater

Supremus GLS Water Heater

Supremus DLX Water Heater

Supremus Water Heater

Ardor - Instant Water Heater

Instant Gas Water Heater

CUISINER

Tankless Electric Water Heater

FEATURES:

- High strength ABS splash proof casing.
- Cast aluminum heating element.
- Compact appearance and continuous supply of hot water.
- Easy installation, rationale structure, easy wire connection.
- Easy operation, automatic constant temperature & memory.
- Touch screen, LED digital display of water temperature.
- Overheat & dry-heating protection.
- Built-in pressure relief valve to prevent explosion.

TECHNICAL SPECIFICATIONS:

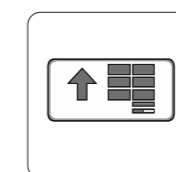

Voltage	220~240V
Power	7kw
Current	29.5 Amp
Circuit Breaker	32A
Recommend Wire	6 sq mm
Activate Water Flow	1.5/min
Inlet Pressure	0.02-0.6MPa
Overheat Temp	65°C
Thermal Cut-off	95°C
Water Connections	G1/2"

FRISSION

Digital Water Heater

FEATURES:

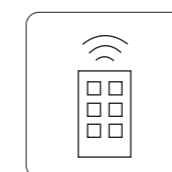

- Digital display system
- Temperature setting through remote control with timer facility
- Adjustable knob for temp. setting
- PUF insulation
- Incoloy glass coated heating element
- Magnesium Anode Rod
- **8 Bar pressure rating**
- Multi functional safety valve
- **5 Star Rating**

TECHNICAL SPECIFICATIONS:

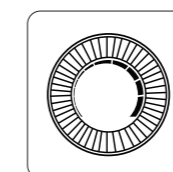

Voltage	230V
Type	Storage
Frequency	50Hz
Wattage	2 Kilo Watts
Rated Pressure	8 Bar
